## Parent feedback

- There is a lot of useful information available on the website, but parents do not always know it is there. Could the school 'signpost' parents more regularly via newsletters or 'showcase' areas of the website to raise the profile of it?
- The use of Dojo for communication and giving points is inconsistent across classes and year groups. The school are going to address this.
- Parents do not always know the best route to take if they wish to raise a concern or ask a question. The school will reinforce this via newsletters and regular communication.
- Could the school use online response forms more regularly, e.g. to gain parents' views on future fundraising ideas. This will be done in the new year prior to any new events being organised.

A huge thank you to the parents who attended this week's meeting.

Our next meeting is on Wednesday 19<sup>th</sup> January 2022 at 2:30 p.m.

We would love to see you there.
