Spotlight on Year 4

What the children had to say:

Charlotte: I liked it when we learnt about First Aid and how to respond in an emergency, like a broken bone. I'm really enjoying the text 'Revolt Against The Romans' and we were so excited to make contact with the author on Twitter.

Matilda: I enjoyed the visit to Chester Zoo because I liked seeing all of the animals there and it was a really fun day.

Harrison: I've enjoyed learning how to make Roman mosaics in art. In guided reading we learned about how Hadrian's wall was made and I really liked that.

Olivia: I've really enjoyed learning about sound in science and about how you can hear sounds through your ears. In Maths I really enjoyed learning how to use column methods for addition and subtraction.

All of the children really enjoyed the Greek day just before Christmas. Dressing up, Greek food, what life was really like for a rich person in Ancient Greek times.

Congratulations!

Miss Dimmock has recently completed her National Professional Qualification for Middle Leaders (NPQML) and Mr Hubbard has completed his National Professional Qualification for Headship (NPQH).

They passed with flying colours and we would like to congratulate them both.

We need your thoughts!

We will soon be completing our annual pupil, parent and staff surveys which help to ensure we are continuing to do the very best for all of our Werrington families.

We would really appreciate you adding your views via the Ofsted 'ParentView' site which can be found [here](#).
