### *Spotlight on Forest School*

At Werrington we love to learn outside and we are very lucky to have such wonderful grounds for the children to explore during their Forest School sessions. Mrs Croft and Mrs Bennett are really enjoying their sessions with our younger pupils this term. Here are some of the things they have been getting up to.

"I like it when we learn things about nature and we can explore things like how plants grow."

"We like going inside of the dens and exploring."

"I like looking at the tadpoles in the pond."

"I like it when we can go to the pond and look at the tadpoles and frogspawn."

### NSPCC Marathon Day

Friday 8<sup>th</sup> April is our fundraising day to support one of our parents, Adam Smith, who is running the marathon for the NSPCC. Their vital work and training helps to keep children across the country safe from harm.

All children are invited to wear something sporty to school and we will be running a 'collective marathon'!

All donations can be made on Adam's JustGiving page [here](#)

### Fundraising for Ukraine

Our blue and yellow day raised an amazing £809.33.

This has been sent to UNICEF to support their work in Ukraine.
