Online Safety – Sponsored Screen Free Day

In conjunction with National Safer internet Day, we are asking all pupils to take part in a sponsored 'screen free day' on Tuesday 11th February.

At the request of Maisie and Erin, all monies raised on this day will be donated to the Douglas Macmillan Hospice.

The Hospice do incredible work and we would like to raise as much money as possible to support them and to thank them for the wonderful care that they gave to Maisie and Erin's Mum.

A letter with more details will follow soon.

Voice in a Million

Our fantastic school choir attended the 'Voice in a Million' concert in Birmingham last week. It was an amazing experience for all concerned. The massed choir of 6000 children sang along with Tony Hadley (of Spandau Ballet fame) and other incredible performers.

A huge 'Thank you' to all the staff involved in organising the day.

Safety on site

To ensure the safety of all pedestrians on the school site the gates to the car park will now remain closed after school. If you are collecting a child from a club or from the Out of School Club, please find alternative parking at the Village Hall Car Park.

If you have a disabled badge and require parking on the site, please ensure you have registered your vehicle with the office staff and you will be able to press the buzzer on the right hand gate post to gain access.

We appreciate your support in ensuring all our pupils, parents and staff are safe on the school premises.

ParentPay

We hope to introduce an online payment system for school dinners, trips and events at half term. Details will be sent out soon.

Pop UK

Pop UK are in school for all of next week to work with our children to create a vibrant pop singing project, leading to a professional recording of the children's singing and then the performance of a concert on Thursday 13th February – It promises to be a memorable and exciting experience.
