9th March 2020.

Dougie Mac

A huge 'Thank you' to everyone who took part in the sponsored screen-free day to raise funds for the Douglas Macmillan Hospice.

Erin and Maisie took the money raised to the Hospice last week. Whilst there, they met the fund raising team and the Chief Executive Officer who asked the girls to pass on their thanks to everyone who contributed to fund raising.

A huge total of almost £2,400 was presented to the Dougie Mac.

World Book Day

Congratulations to everyone who came to school in their pyjamas to celebrate World Book Day last week – They looked amazing and really enjoyed their 'bedtime stories' at the end of the school day.

Mother's Day Stall

Our wonderful PTFA are running a Mother's day stall on Wednesday 18th March.

Gifts will be available for the children to purchase, with prices ranging from 50p to £4.

School Council

Our School Council have been looking at litter and how to prevent people dropping it. They are going to photograph litter in the local area and are hoping to purchase an extra bin to go onto the playground.

Representatives of our School Council will be working with School Council members from across the Seven Stars group of schools to produce anti-litter posters for display within the school grounds of all the Seven Stars schools.

Smoking/Vaping

Could I remind everyone that smoking and/or vaping is not permitted within the school grounds.

Parentpay

Staff have now completed their training on Parentpay, our new online payment system – We hope to launch it with parents after the Easter break – more details to follow soon.

Time Table Rock Stars

The children who have been busy regularly practising their times tables through the TT Rock Stars online programme, at home and at school, are making amazing progress in their knowledge and recall of the multiplication tables facts.

Please encourage your child to practise their times tables often, even for a few minutes each day, as this knowledge will impact on all of their mathematical learning from fractions, to measures, to finding the area of shapes.

Seven Stars Wellbeing Conference

The Seven Stars Year 6 Wellbeing Conference takes place on 3rd April – Every Year 6 pupil from the Seven Stars schools (Over 300 pupils!) will attend Staffordshire University for a full day conference with nationally renowned guest speakers.

We hope that it will give our Year 6 pupils lots of useful strategies to help them approach their SATs and to prepare for High School.

Parents Evening

Parents Evening is scheduled for Thursday 19th March. You can use our online booking system to make your appointment.

Book Fayre

Easter is approaching and I'm sure that many children will receive lots of Easter Eggs from friends and relatives. Rather than giving them yet another Easter Egg, why not get them a book instead?

The Scholastic book Fayre will be in school on the afternoons of Thursday 2nd and Friday 3rd of April. More information and leaflets will be sent home with your child over the next few days.

PTFA Disco

PTFA Discos take place on Thursday 26th March.

The disco for Reception and KS1 pupils will run from 3:30 until 5pm.

KS2 Disco will run from 6 until 7:30pm

– Ticket details to follow soon.

Photos

The photographers are in school on Wednesday 11th March to take photos of the choir, whole classes and musicians.
