

Werrington Primary School

Newsletter
16th September 2020.

School Office

A huge 'Thank you' to you all for adhering to the one-way system and for wearing masks whilst in the school grounds. We've been advised to ask parents not to visit the school office if at all possible. If your child has forgotten a piece of PE equipment or a drink, please don't pop back to school later in the day to drop it in to the office – we can always provide drinks to children who, as a one-off, have forgotten their bottle and we have plenty of clean, spare PE kit for children who need it

Coats & Jumpers

Please ensure that any coats or jumpers have your child's name in them. A number of jumpers and coats are in our 'lost property box' and we've been unable to trace their owners as they haven't had names in them.

School Life

We've had a super couple of weeks back at school – please take the time to look at our blogs to see just a few of the amazing things that our children have been up to (<http://werringtonprimary.schoolblogs.org/>). Mrs. Prince has introduced her 'Hot Chocolate Friday' as a way to reward those children who continually give their best in school every day.

Attendance Matters

Good attendance is closely linked to good progress and attainment. Poor attendance increases the chance that a child will have gaps in their learning. Please make sure that where possible, your child is in school every day. If your child is absent due to illness, please contact the school as soon as possible to let us know – **Please give details of your child's specific illness**

Parental Survey

Mrs. Prince has sent out a link to all parents to a survey about your access to online devices. This survey is to help us in our planning for home learning in the event of any future school closure due to Covid19.

Moorside High School

Moorside High School are hosting a VIRTUAL PROSPECTIVE PARENTS' EVENING on Thursday, 17 September 2020, from 7.00 pm. The Virtual Evening will consist of a short presentation from the Headteacher, followed by access to a Virtual Tour which will be a guided tour around the school, as well as the opportunity to see photographs and video footage of the school in action. To access the Virtual Evening you will need to visit the school website (moorside.staffs.sch.uk) and follow the link.

Contact Information

Please ensure that the school office has current, up to date contact details for your child so that we can quickly contact a parent or carer in case of an emergency.

Parking

Please can all parents/carers be respectful of our neighbours within the area when parking your cars. I've been asked to remind parents that you cannot park on the Chemist or the Village Surgery car parks. We encourage parents to park on the Village Hall carpark and walk across to school.

Can I ask that parents do not pull their car into the school gateway when dropping their child off? Also, please avoid turning your car around in the gateway entrance. Our local PCSOs will be monitoring the gateway and will issue fines to anyone blocking the entrance. Thank you for your continued co-operation and support in this matter.

Useful Online Safety advice for Parents

<http://www.childnet.com/resources/know-it-all-for-parents>
Know IT All for Parents is a unique interactive e-safety guide for parents and carers produced by Childnet International. It's designed to really help you as a parent or carer keep up to date with how children are using the internet, and support them in using these new exciting services safely and responsibly.

KS2 SATs

Important diary date:
The Government have confirmed that Year 6 SATs tests will take place during the week beginning 10th May 2021.
All pupils MUST be in school during this week.

Our School Improvement priorities for 2020/21 are:

1. To enhance pedagogy - Teaching over time in all year groups is outstanding and never less than good
2. Outcomes for Pupils - All pupils make substantial and sustained improvement in each year group and across the curriculum
3. Leadership & Management – Leaders motivate an effective teaching staff to deliver high quality education for every child
4. Mental Health and Wellbeing – Our school community work together to ensure that everyone feels safe, stays well and shows respect to one another.
5. Curriculum - Ensure Curriculum is relevant and challenging – opportunities to extend Maths and English skills in all areas of the curriculum

HM Government **NHS**

Don't touch your face covering while wearing it

Remove using the ear straps or from the back

STAY ALERT > CONTROL THE VIRUS > SAVE LIVES
