12th November 2020.

Before and After School

I've been asked to remind parents of the importance of keeping your child close to you when you drop off in the morning and pick up in the afternoon. Children naturally want to run around and mix with friends from other year groups. Whilst this is lovely to see under 'normal' circumstances, several parents have expressed concerns that this could potentially have an impact on the integrity of our 'bubble' system.

Reception Class 2021/22

If your child is ready to start in our Reception class in September 2021, you will need to apply for a place – even if your child currently is in our Nursery.

IMPORTANT

If you, or anyone in your household, shows symptoms of Coronavirus, please ensure that the whole household self-isolates until the person with symptoms has a test and that test produces a 'negative' result.

DO NOT send your child into school if you have symptoms of Covid-19.

BBC Children in Need.

On Friday 13th November we will be having a non-uniform day to help raise funds for this wonderful cause. Please note – **we will not be accepting any cash donations in school** – all monies are to be paid via

ParentPay which now includes a donate to Children in Need option. Remember to still send extra layers in on non-uniform day so your child doesn't get too cold.

Potteries Educational Trust

I am pleased to inform you that our academy conversion is continuing to move forward, with a projected conversion date of 1st April 2020. Our 'Academy Order' was issued on 22nd October and the legal aspects of the conversion are now underway. If you have any questions regarding the conversion, please do get in touch.

Bubble Closure

Thank you to our Year 4 and Nursery parents for being so supportive when we had to close the bubbles last week.

The majority of children have really engaged with their online learning.

A huge 'thank you', especially to the Year 4 parents who have been hosting 'Zoom' learning sessions.

We look forward to seeing all the children back in school on **Wednesday 18th November.**

School Council

Our School Council had a 'virtual' meeting with the School Council from Carmountside Primary Academy last week to brainstorm ideas and activities for anti-bullying week. Staff were really impressed by how the children were able to work together so quickly and sensibly in an online environment. Watch this space for more details.

HM Government

KNOW THE SYMPTOMS

NHS

High temperature

New, continuous cough

Loss or change in sense of smell or taste
